Fall is in the air, the leaves are changing colors, football is being played on Friday nights, and the holidays are just around the corner. It's time to take stock of where you are, to give thanks and to look back at the year that was. As a Journey community we have a lot to look back at and be thankful for. We've sent some of our beloved family members to be with the Lord, their loss has been felt by all of us, but we know that they are in a better place now. We've welcomed many new butterflies (and manly monarchs) into our community, we've seen a lot of first time workers and workers working for the first time in a new position. Yes we have much to be thankful for.

As President I want to take the time to thank you all for being patient with me as I slowly learned what I was supposed to be doing and for extending so much grace to me along the way. It has been an honor and a privilege to serve you all this past year. I would also like to take the time to speak for the community and thank several other

members of the Journey community that serve us and often go unnoticed.

- Ken and Kathy Anderson-- Thanks for keeping track of the board's finances, the meeting minutes, job descriptions and generally keeping us on track.
- David Cole--Thanks for accepting the position of President for the upcoming year. I hope that you're as blessed by the experience as I have been.
- Leanne Bafus--thanks for always being there to answer my questions no matter how stupid they were.
- Jenny Page--Thanks for the endless hours of work you do as the registrar and in putting together the Flight Report, Also thanks for putting up with people who turn in their articles a wee bit late (like this one, once again sorry you're waiting on me).
- Richie and Crystal Schut--thanks for creating, hosting, and maintaining our wonderful website.
- PhiLL Cole--thanks for cleaning, organizing, and coordinating someone to haul the trailer, and thanks for working so tirelessly to find churches that are willing to host our weekends.
- Donna Stoess--Thanks for working to make life easier for the song team.
- Cathy Potts, Lloyd Stoess, and Jon Page--Thanks for working with advocates and directors to prepare and equip the directors for

the upcoming weekends.

- Dean Walker and Dave McCue--Thanks for making sure that we stay grounded in the Word, for preparing devotions and communion for us.
- I would also like to thank Mike Larche, Bob Bafus, Heidi Dagle, Tyler Shockley, Mary Cole, Becky Walker, Corbin Harder, and Ellen Marsh--our community representatives--for being active in the community, attending the meetings and offering valuable input.
- Steve Hyndman and all the members of the Walk with Christ Secretariat, thank you for working with us this year. It feels really good to know that our organizations are so concerned with being mutually beneficial and helping each other whenever possible. Even when we receive more of the help than you do.
- Finally thank you to all of the members of the community who support us and serve along beside us.

It's been a fantastic year, God has blessed me so richly that all I can do is sing His praises. Please join with me as we thank and praise Him.

*I will give thanks to the LORD with my whole heart; I will recount all of your wonderful deeds. Psalm 9:1*

In His service,  
Jeremy Lanthorn

## YOUTH DIRECTOR'S PERSPECTIVE

My journey was amazing! It was so great experiencing working journeys as a YTL and background, but youth directing gave me a whole other view. I saw God work in ways I hadn't experienced before and it was so encouraging. It was such a blessing so see how everyone in the cocoon was fellowshiping! I'm so, so, so thankful for everyone, those worked, sponsored, helped clean up after, and were Cats! Jesus was so overwhelmingly present and His love changed lives that weekend. Some more than others but I'm sure everyone left feeling even more in love with our Savior!

Arianna Harrison-Dyer  
 Youth Director Girls Journey #64

On the boy's Journey With Christ #64 God worked in miraculous ways by making the hearts of these twelve young men new. I am confident in saying that Jesus Christ changed the lives of the caterpillars, as well as the workers during the weekend from His never ending love. The Journey brought new friendships, lots of laughs, great food, and memories that will last a lifetime. God was preparing the cats to go out into the world and be a light to those around them and to share the good news of God's grace and love. Not only was God present during the weekend, but we are continually brought reassurance knowing that God is guarding us through every step as we witness to His Kingdom. As the journey came to a close, we give all of the glory and honor to our Wonderful Creator for such an impactful weekend. Thank you, Lord. **“SHHHHHHHHICK!!!!!!”**
